SIZE REFERENCES

We offer all our wiper blades individually, giving our customers maximum flexibility when selecting the exact type they need. We understand that different vehicles and even different driving conditions may require a specific combination of wipers, so our approach allows each customer to pick only what is necessary, without being limited to pre-packed sets. This not only ensures a more precise fit for every car model but also helps to optimize storage space, making inventory management simpler and more efficient. Whether you need just one wiper or a variety of models, our system is designed to offer convenience, accuracy, and a tailored solution for every requirement.
